PROJECTS:

Only Option – Pilot

- Only Option is a 10 x 30' comedy series about Blair and Kurt, a straight-laced married couple who turn to OnlyFans to pay for their youngest son's expensive medical treatment.
- Currently optioned by Anthony Farrel's production company, Canfro Productions.
- Kate Hewlett is attached to showrun the series.

inTUIITION - *Pilot*

- A comedy series following working class parents attempting to give their gifted son a better life by getting him into a prestigious private school.
- Currently working with Andrew Haas, executive producer of “I Love You, Man” “Green Lantern” and “Yogi Bear” on the series.

Demon Elementary - *Children’s Pilot*

- Brother and sister Danny and Suzy team up up to fight misdemeanour monster crimes as Monster Hunters in Training with the bureau of underworld crime activities.

Undergrad - *Pilot*

- After a harsh break up with his high school sweetheart, Adam attends university in hopes of finding who he really is, only to learn his dorm neighbour is the very person who dumped him 3 months ago. Now he has to try and move on while being closer to her than ever before.

Unamused - *Pilot*

- When Drew is forced to come back to the town and family he ran away from for his father’s funeral, he learns not only has he inherited the family amusement park he hates so much, but has a ten year old child with his high school sweetheart as well.
